

## mathleague.org Contest Certification Form

[Please sign this form and mail it to mathleague.org after your contest]

In regards to the mathleague.org contest referred to below, I certify that:

- The contest questions and answers were kept secure from participants until the time of test administration.
- The contest results that have been sent to mathleague.org are complete and accurate.
- All official mathleague.org tests for the contest date were administered and scored according to mathleague.org rules.
- I have read, understood, and followed the mathleague.org rules and policies as found on the mathleague.org website.
- All participants were made aware of their responsibility to know and abide by mathleague.org rules; and every attempt was made to distribute answer keys, results, and student answer forms in a timely fashion after the contest.
